*A celebration of
leadership, learning
& friendship*

Honoring **JULES A. GUTIN** September 18, 2011

JULES A. GUTIN

Jules Gutin has spent his entire professional career within the Conservative movement and has been USY and Kadima's International Director for more than 20 years. His leadership, creativity and ability to connect with our teenagers is well-known. USY and Kadima have flourished under Jules's leadership. Alumni throughout the world claim him as their mentor, citing his influence in the

choices they have made and the success they have achieved in their adult lives. To continue the spirit of the teaching and mentoring provided to the thousands of USYers who have been guided by Jules, the Jules Gutin Leaders Fellowship Fund will provide ongoing leadership training to Jewish teens, USY advisors and youth directors throughout North America and Israel.

*The United Synagogue of Conservative Judaism cordially invites you
to an evening celebrating learning, mentoring and friendship*
